DEMOCRATIC TICKET.

For President,
GROVER CLEVELAND,
 of New York.

For Vice President,
ALLAN G. THURMAN,
 of Ohio.

ANNOUNCEMENTS.

To the Democrats of the Ninth Congressional District: I beg leave to submit to you my name in connection with the Democratic nomination for Congress from this district. I have no claims to urge over those of any other true Democrat, and make my announcement with some degree of timidity. I hope to make the primary contest in such a manner as not to create dissension or division in the ranks of the party, and, whether I lose or win the nomination, I propose to remain the same unflinching Democrat I have always been. Respectfully,
G. R. KELLAR,
 Carlisle, Ky., July 17, 1888.

BOYD COUNTY Democrats send an un-instructed delegation to the Congressional convention.

THE counties of Greenup, Carter, Fleming and Lewis instructed for Thomas Paynter in their conventions yesterday.

FLEMING COUNTY Democrats selected delegates yesterday to the Congressional convention and instructed for Hon. Thos. H. Paynter.

A TARIFF which takes from one class of people to give to another class is a "robber tariff." It is nothing more nor less than legalized highway robbery.

DON'T lose sight of the fact that the kid-gloved, blue-blooded, aristocrat Harrison, the candidate of the Republicans for President, who once wanted to drive the bayonet into the bodies of a lot of striking railroad men because they dared to stand up against being robbed by a railroad monopoly, is in favor of free whisky, free tobacco and free pauper labor.

THE Democrats propose to admit free only raw wool. All articles made of wool and manufactured in foreign countries will pay a duty of from 40 to 45 per cent., against from 60 to 69 per cent. as it is under the present tariff. The Mills bill will, therefore, as all woolen manufacturers know who have candidly examined its wool schedule, give a great impetus to the wool business. It will immensely benefit the working people in the woolen industry.

CONSUL SCHENFORD, at Tunstall, Eng., has recently furnished to the State Department a very interesting and instructive comparison of the cost of manufacturing all-wool finished cloth in America and in England. He says: "The manufacturing cost per pound of finished goods in America is 33 cents against 38 cents in England, 5 cents less in America; but the wool costs 38 cents in America on account of the wool duties. In other words if we had wool at the same cost as the English we could produce at about 64 cents what it costs in England 69 cents to produce." The Mills bill proposes to give the people free wool which will enable the manufacturer to make cloth cheaper than it can be made in England. American manufactured cloth will have the whole world as a market. Workingmen will certainly see from this how that class of our population is to be benefited by this Democratic legislation.

Not Any in His'n.

The Republicans are not having the best success in soliciting funds from manufacturers. The chairman of the Finance Committee of the Holyoke Republican Club recently solicited a contribution from Mr. Arthur T. Lyman, who is treasurer of the Hadley Thread Company, of Holyoke, as well as of the Lowell Manufacturing Company, of Lowell. In reply, Mr. Lyman wrote a letter from which the following is an extract:

"While the Mills bill is not a bill that wholly commends itself to me, it is correct, and for the interest of Massachusetts in many particulars, notably in the matter of free wool. Every manufacturing country in the world of any consequence except the United States has wool on the free list. The position which the Republican party has taken makes it well for the country, as it seems to me, that it should not have control of the Government for the next four years."

ARTHUR T. LYMAN.

It is just now the time when there is a "nothing new" in fashion as it relates to dress.

It is not always the girl who is most closely veiled at the seashore who has the "loveliest complexion."

Sateen as a dress material is having a run this season equal to that of the man escaping from the infuriated bull.

DEMOCRACY OF MASON.

Send an Uninstructed Delegation to The Coming Congressional Convention.

Doings of the Meeting Yesterday—List of the Delegates.

The Democrats of Mason County have selected delegates to the Congressional convention to be held here Tuesday, August 21st.

In accordance with the prevailing sentiment the delegates go untrammelled by any instructions. No choice among the various candidates was expressed the avowed sentiment of all being to act for the good of the party and unite on some one who can redeem the district.

The county convention yesterday afternoon was largely attended and was a representative gathering of the Democracy of Mason. Major Chenoweth, Chairman of the Executive Committee, rapped for order at 2 o'clock. W. P. Campbell and M. J. McCarthy were elected temporary secretaries.

Cahill 39
 O'Hare 15
 Before the result was announced Mr. O'Hare moved that Mr. Cahill be elected by acclamation. Carried.

On motion W. P. Campbell, M. J. McCarthy, M. F. Marsh and Geo. W. Oldham were elected permanent secretaries.

Dr. Adamson moved that the chair appoint a committee of six to select delegates to the district convention. John L. Whitaker offered an amendment that the committee consist of one from each precinct—each precinct to name its member. Major Chenoweth seconded the amendment, after which Dr. Adamson accepted it. A call of the precincts resulted in the following:

COMMITTEE ON DELEGATES.

Maysville No. 1—C. B. Poyntz. Maysville No. 2—T. J. Chenoweth. Dover—J. C. Grove. Minerva—Jos. Walton. Germantown—Isaac Woodward. Sardis—G. W. Stiles. Mayslick—S. H. Mitchell. Lewisburg—W. H. Rice. Orangeburg—W. H. Coryell. Washington—John B. Holton. Murphysville—C. T. Worthington. Fern Leaf—J. J. Thompson. Chester—M. C. Hutehison.

A motion was made that the number of delegates be limited to twenty-six, but an amendment was offered that the number be fixed at fifty-two. After an animated discussion the amendment was lost, and the original motion was adopted.

While the committee was absent, rousing addresses were made by Squire James Earnshaw, of Dover, and Hon. Charles Shackelford, of Gunnison, Col.

Others were called for but failed to respond.

The Committee on Delegates reported the following:

The committee appointed to select delegates to represent Mason County in the Congressional convention of the Ninth Kentucky District have chosen the following named delegates and ask their confirmation:

Maysville No. 1—Charles B. Poyntz, M. A. O'Hare, Charles Reed, H. F. Shannon. Maysville No. 2—T. J. Chenoweth, John J. Perrine, H. K. Adamson, G. H. Holton. Dover—John B. Terhune. Minerva—Jos. F. Washington—Paxton Marshall.

Murphysville—W. S. Cliff.

Fern Leaf—S. M. Worthington.

Chester—C. P. Dieterich.

Delegate at Large from Mason County—Judge G. S. Wall.

Upon motion it was decided to recommend that the delegates vote as a unit upon all questions coming before the Congressional convention, the majority ruling in all cases.

A motion to adopt the report was made and seconded, but T. M. Wood objected, claiming that Maysville No. 1 had not been given the full representation it was entitled to. A wrangle ensued, and the convention was soon in confusion.

A motion was made to refer the matter back to the committee with instructions to select fifty-two delegates. This was urged in the interest of harmony. Finally order was restored and Mr. Wood suggested that Dr. John M. Frazee be added to the number of delegates from precinct No. 1. This seemed satisfactory all around, and the matter was no sooner suggested than a motion to that effect was made and carried unanimously. The convention then adjourned.
